KINGS CUP DRINKING GAME

SUMMARY AND SUPPLIES:

Kings Cup is one of the most fun drinking card games you can play. It's a flexible, simple drinking game, and every game you play is a little different. Tons of fun! All you need to play this is a deck of cards, list of rules (included), and a pint-sized cup.

THE GAME:

Place a pint-sized glass in the middle of the table.

Spread a deck of cards in a circle around the cup and have your guests sit around it.

The game begins and ends with Kings-- with each King card pulled, the player who pulls that card pours some of his or her drink into the pint cup in the middle of the table.

The person who pulls the last King in the deck must drink what's in the cup. This is especially disgusting if everybody is drinking something different.

All cards are tied to an activity/rule. See attached page for printable rules listing.

KINGS CUP DRINKING GAME RULES

2 - TWO FOR YOU: Two drinks to the person of your choice

3 - THREE FOR ME: Take three drinks

4- FOUR'S FOR WHORES: All ladies take a drink

5- SLAP: Upon seeing the five card pulled, all players must hit the table with their hand. The last person to do this drinks.

6- SIX IS FOR DICKS: All the guys take a drink

7- THUMBMASTER: Whoever pulls a 7 becomes the new Thumbmaster. He or she can sneakily put their thumb on the table whenever they like. All the other players must put theirs on the table, too. The last to do it must drink.

8 - I NEVER: Say a statement about something you've never done. All those who have done it must drink.

9 - RHYME: Say a short sentence. The next player has to say one that rhymes. It goes around the table til the last person can't think of a rhyme. He or she drinks. (Words can only be used once)

10- CATEGORY: Choose a category. Each player must choose something within that category. If you can't think of anything, you drink. (Example: chocolate candy bars: Snickers, Twix, Reese's Cups, Milky Way, etc.)

JACK- RULE: When you pull a rule card, you get to make up a rule for the game. Every time the rule is broken, that person must drink. (See Rules Game above for some good rule ideas.)

QUEEN- QUESTION MASTER: The person who pulls the Q is Question Master until the next Q is pulled. He or she can ask a question of another player at any time. If that player answers the question, he or she must drink.

KING- KING'S CUP: The first three to pull a King must pour some of their drink into the cup at the middle of the table. The last person to choose it must drink it. The game ends when the last King is pulled.

ACE- WATERFALL: Everybody drinks. The player who picked the Ace starts the waterfall. No player can stop drinking until the player before him stops.
